📍 East Mediterranean / Greece 📅 2018 ⚓ 67FT / 20.42M

🛖 4 cabins 👤 8 guests 🧑‍🚒 3 crew

Overview

Luxury catamaran yacht AETHER is a 20.42m (67') sailing catamaran yacht, offering luxurious charter vacations in the Mediterranean. She is able to host up to eight guests overnight in a four-cabin layout. There is a professional and friendly crew of three onboard, ensuring a truly relaxing time on your holiday.

NOTABLE FEATURES OF AETHER: ~Foredeck Jacuzzi ~Abundance of sunbathing areas ~Multiple dining and lounging options ~Great selection of water toys ~Excellent stability ~Hydraulic swim platform ~Air conditioning ~Wi-Fi

EXTERIOR

The main deck aft comes with a sofa/sunbed to starboard along with a flybridge stairway, and an L-shaped sofa, alfresco dining table and movable chairs to port. The barbeque with wet bar is along the stern with another sofa, which is exposed to the sunshine. Both hulls have a stairway leading down to the water, and a hydraulic swim platform provides easy access in and out of the guests as well as the tender.

The foredeck has a Jacuzzi to port and a sofa/sunbed to starboard. Two forward nets create a place for guests to wear off excess energy and then nap in the sunshine.

The flybridge can be accessed from the main deck aft, and the area provides sun-drenched sunbeds along the stern, seating beneath the canopy and the helm controls forward.

INTERIOR

The guest and crew accommodation are placed in the hulls and the galley is amidships in the port hull, leaving the central space dedicated to lounging and dining. In the salon, a forward-facing L-shaped sofa and coffee table are placed along the port side. The dining area is to starboard and consists of a plush sofa, a fold-out table and additional seats for the comfort of the whole group. A widescreen TV is in the corner aft to starboard, and forward a doorway leads out to the foredeck.

Twin Volvo Penta engines each producing 150 HP give a top speed of 10 knots and a cruising speed of 9 knots for continuous sailing even on windless days.

The accommodation sleeps a maximum of 8 guests over 4 en-suite cabins: 1 Master suite and 3 double cabins. The Master suite is located forward in the starboard hull and provides its occupants with a king-sized bed, sofa, desk/vanity, plenty of wardrobe space and an en-suite bathroom with two sinks, an enclosed toilet and a shower. The double cabins are forward and aft in the port hull and aft in the starboard hull. All have a queen-sized bed, ample wardrobe space and an en-suite bathroom with a sink, toilet and shower. The expert crew of 3 will provide fast and discreet service throughout the cruise.
