 Greece  Athens  2018  131FT / 39.93M

 5 cabins  11 guests  8 crew

Overview

AQUA LIBRA was launched in 2018 by the renowned Sunseeker shipyard, created with the very pinnacle of luxury, she partners opulent design, innovative features, modern amenities and breathtaking views in a truly unique manner. Fast, gorgeous and comfortable with perfect balance of indoor and outdoor spaces.

AQUA LIBRA accommodates up to 11 guests in five exceptional staterooms, including a panoramic master suite on main deck featuring huge full height windows, two private dressing rooms and his & hers bathrooms. Two VIP staterooms and two twin cabins that can be converted to double cabins with king size bed, one with a pullman berth, all with en-suite facilities.

She represents a new reference and level of sophisticated luxury yachts worldwide and is undoubtedly one the best superyacht options to be chartered, that's capable of satisfying even the most diverse of charter parties in Greece. As one of the freshest superyachts available for charter in Greece, East Mediterranean with the most amazing crew onboard, she is ideal for both families and friends looking to enjoy a premier luxury superyacht experience on-board an internationally renowned vessel.
