Overview

Infinity Sails offer yacht cruises tailored to your desires, on our 40ft luxury sailing catamaran in the southern waters of Singapore and neighbouring islands. Providing our best service to you our customer is a priority which we live and breathe by to ensure a unique charter experience for you away from the busy Singapore city life.

At Infinity Sails we are dedicated to providing you with a truly personal customer experience of ultimate maritime flair. Our luxury charter yacht can accommodate up to 18 guests. You will be well treated and taken care of during a relaxing cruise by our professional and experienced crew.

Whether you want to cruise at sunrise or into the sunset sipping champagne, enjoy the view of the Singapore city lights from the sea, explore tropical islands nearby with white sand beaches and pristine turquoise waters, celebrate night parties or special events while dining in style or enjoying a BBQ, it will be our pleasure to serve you.
