Overview

DUKE DOWN is a spacious tri-deck 36.5m superyacht, custom built by the renowned shipyard Heesen in 2002. Her burnished exterior and sumptuous interior make her the ultimate choice for a luxury superyacht experience.

Entrance onto a spacious main deck introduces guests to the luxurious and relaxing facilities. Interior features of natural stone, leather, marble and wooden floors create contemporary and comfortable living spaces.

The airy, top deck has a Jacuzzi and a sun-pad, perfectly positioned to soak up the sun and sea views. A stylish dining area aft of the bridge deck offers the choice of alfresco meals seating twelve guests. The main deck has a beautifully furnished enclosed seating area. DUKE DOWN boasts impressive entertainment and leisure facilities to ensure a joyous time with family and friends.

DUKE DOWN accommodates 10 guests in 5 staterooms. The full-beam master stateroom includes an opulent his and hers bathroom. An oval shaped hallway leads to each en-suite cabin, two doubles and two twins. Suites are fully air conditioned and furnished to a beautiful standard.

DUKE DOWN combines a modern stabilisation system and exceptional performance, and is a perfect choice for a unforgettable superyachting charter experience.
