## Overview

The award-winning yacht enjoys a traditional interior with a contemporary twist, mixing neutral tones and Indonesian influences. Large volume and light-filled interiors are paired with a silent cruise and eco-minded onboard practices, including sustainably sourced products and hybrid propulsion.

Sleeping 12 guests in five ensuite cabins, with further accommodation for a crew of 11, GALILEO guarantees impeccable service catering for all guests' needs.

Large and uncluttered exterior deck spaces for relaxing and entertaining are complemented by a generous selection of water toys. The setup also boasts a comprehensive inventory of tenders, including a customized 31' (9.5m) Zodiac, a Hurricane expedition RIB, which is neatly stored in the garage forwards, and a sophisticated dive suite for underwater exploration.

Built in 2011, the yacht enjoys a full displacement hull conceived by Philippe Briand for a solid onboard experience, detailed craftsmanship and a fully equipped gym. Adventure themed charters, such as surfing and diving packages in the tropics are complemented by wellness and romantic themed offerings, ensuring a charter aboard GALILEO caters for all needs and preferences.
