Overview

Meltemi is named after a wind in the Mediterranean Sea, a French-built Lagoon 500, one of the most successful yachts ever designed for high-end charter.

Her previous owner was a Malay princess. In 2015, Meltemi start accepting private charters and sailing adventure curises in Myamar's Merqui Archipelago.

Meltemi is easy to sail, all winches are electric and can be fully controlled from the large flybridge.

Meltemi has 4 comfortable guest cabins, each with king-sized beds, ensuite bathrooms and separate air-conditioning. The spacious owner's suite in the starboard hull has its own couch area and a large bathroom.

Her bright, wooden interior gives Meltemi a generous and modern feeling. Cabins are accessed through the central saloon, where the open galley and the navigation station are located.

She is well equipped with 3 large fridges, an oven, a microwave, a water maker, sound and video entertainment systems, warm and cold water, etc.
