Behind our boats, when at anchor, we can inflate our very own 'Waterparks', with jacuzzis, trampoline and magnificent slides. If this all sounds too strenuous you can relax with a beer or two in our inflatable bars – you won't find this entertainment elsewhere in Phuket!

Brand new for 2018 – these are a combination of a kayak and a bicycle powered only by your enthusiasm and peddling muscles! Our water bikes can cruise up to 7 miles an hour and offer a unique experience and photo opportunities. These are carried on our 4 large catamarans (70ft, 51ft and 43ft)

All our boats now carry SNUBA equipment which is a cross between scuba and snorkelling and you can experience the underwater wonders with very little training.

Our two large yachts carry diving gear on board, and a dive compressor. The Similan islands, 60 miles north east of Phuket, is one of the top 7 diving spots in the world.

There are sets of snorkelling gear of various sizes, from children to adults on all boats. The beautiful coral and exotic colours of the tropical fish will make this one of the most memorable experiences of your cruise.

We can provide a "movie man" on board who will video your entire day, on the water, under the water, down the slide, on the boat, on the beach etc. He will edit it all, put music on and send it to you so all your guests have a copy. He charges 3,500 THB.

Our 104ft, 70ft, 51ft & 43ft larger boats carry kayaks and our 104ft & 70ft have Stand up paddle boards (SUPs) which are fun to use around the boat or to explore little coves, and paddle across to a deserted beach. We also have a large dinghy, for the crew to take you ashore and for guests to be taken to explore the islands and beaches.

Fishing tackle provided. Deep sea fishing from the stern of the yacht while cruising is great fun, and you will easily catch tuna, barracuda, and many other fish. Our chef will prepare them for you, grilled or fried, on the barbecue or as Sushi and Sashimi.

So tempting just to jump in! Be it from swimming platforms on some of the boats or straight from the side on the smaller ones. Once at anchor the swimming is beautiful in the cooling and clear waters.

The beach next door provides Jet Skis, we can run you there by dinghy. At extra cost we can bring our speedboat and provide Donut Rides, Water Ski-ing & Wakeboarding (We would require advanced notice for these activities)
