Overview

Designed for exploring in style, 69.7m go-anywhere superyacht SHERAKHAN is as comfortable cruising Central and South America as she is in the Mediterranean.

Combining wide decks & the glass bottom 18-person Deck Jacuzzi, classic-modern combined and luxurious interior décor, spacious and versatile accommodation with themed cabins, as well as a wide variety of water toys, SHERAKHAN gives a feeling of grandeur and comfort, apparently a top choice of superyacht to be chartered for large charter groups of friends, family and corporate yacht charters for up to 26 guests.

Few of her unique features onboard are such as the dining salon for all 26 guests sits in a colossal 7m atrium that is bathed in natural light filtered down through the glass bottomed 18-person Jacuzzi above. She has a fully equipped SPA with gym facilities, indoor Jacuzzi, steam room and sauna, even a dedicated beauty salon/massage room with fully trained therapist onboard.

SHERAKHAN is available in the more traditional cruising area of the Mediterranean and Caribbean Seas, but she can also take you further afield for a once in a lifetime adventure to places like Patagonia, Antarctica, French Polynesia, Asia, and Panama..
