Overview

The yacht Y-Not with her sophisticated exterior look and engineering is the work of Farr Yacht Design. Y-Not is a true high performance sailing yacht which combines excellent manoeuvrability, impressive speed, and 3 spacious guest cabins – owners suite and two double cabins which can be converted to two beds. All cabins have their own spacious bathrooms.

Her low draft winged keel allows close anchoring in many shallow bays, while a fully-battened main and roller furlled foresail is the perfect setup for catching the consistent breeze.

Olivier Flahault coordinated exterior and interior spaces, creating a well-balanced practical design with the super yacht look and feel throughout the interior. Y-Not will delight the experienced sailor and novice alike with her strong sailing performance from a Maxi 78, her comfort and luxuries.
