Overview

Skip the wait times... Bali 4.8 hull #131 is available now.

Overview:

The Bali 4.8 takes luxury cruising to the next level with its expansive Open Space design, unrivalled social areas, and smart liveaboard functionality. Designed by Olivier Poncin and built by the Catana Group, this 48-footer offers the perfect balance of innovation, comfort, and bluewater performance.

Whether you're seeking long-term adventure, spacious family cruising, or charter versatility, the Bali 4.8 delivers with sophistication and power.

Key Features:

"BALI Open Space" Concept – The 4.8 features Bali's signature garage-style tilting saloon door, connecting the saloon with the aft cockpit into a single-level lounge. Combined with the forward door to the foredeck cockpit, the yacht transforms into a truly open-plan indoor-outdoor experience.

Solid Foredeck Lounge – Replacing traditional nets, Bali's rigid forward deck adds valuable living space, with integrated sunbeds, dining area, and lockers. Easily accessible through the forward door, the foredeck is safe, dry, and perfect even underway.

Flybridge Entertainment Zone – A fully outfitted flybridge includes helm station, lounge seating, a telescopic-leg dining table, sunbathing pad, and panoramic views in every direction.

Built for Performance – Hull 131 is powered by upgraded **twin Yanmar 80 HP diesels**. Plus, a fully battened square-top reinforced mainsail, Solent jib with UV protection, and dual electric winches for headsails. The 4.8 is equipped for serious sailing.

Climate-Controlled Comfort – Outfitted with reverse-cycle air conditioning in the saloon and all five cabins, combined with premium insulation and ventilation, the 4.8 remains cool and quiet wherever you go.

Accommodation Layout:

5-Cabin Version (5 heads) – Designed for groups or charter use, the 5-cabin layout includes 3 cabins portside and 2 starboard, each with a private ensuite. Whether hosting guests or operating commercially, the layout delivers comfort and privacy for all aboard.

Interior Design & Comfort:

Light & Airy Living Spaces

Large vertical windows and tilting forward saloon windows flood the interior with natural light and fresh air, offering unobstructed 360° views.

Premium Galley

Equipped with a huge 635L fridge/freezer with chilled, filtered water and ice maker, gas oven, microwave, dishwasher, and a seawater pump, perfect for extended cruising.

Elegance Pack

Includes custom styling details such as padded headboards, leather reading lights, indirect lighting accents, solid wood saloon table with built-in bar, designer standing lamps, and more.

Cabin Comfort

All cabins include fans, Air conditioning, indirect lighting, ensuite bathrooms, and high-quality upholstery in Heritage Moss. Reading lights, large windows, and thoughtful layout enhance every night's rest.

Includes Club Lounge Option

Aft saloon area has an additional two armchairs and minibar. Great for socialising or relaxing.

Exterior Features:

Flybridge Setup

Flybridge table with dual telescopic legs, full lounge cushions, sunpads with backrests, helm seat cushions, and helm console cover.

Fixed Bimini with LED Lighting & Clears

Oversized Bimini with a stainless frame and visibility panels ensures protection and visibility while underway or at anchor.

Hydraulic Aft Platform

Adds convenience for tender access or water sports and doubles as a swim platform.

Underwater Lighting

Blue LED underwater lights beneath each transom enhance the evening ambiance.

Safety & Access

Features include a teak swim ladder, electric windlass (1700W), anchor with 70m chain, permanent transom protection, and transom name/registry stickers.

Sailing Performance & Powertrain:

- **Upgraded twin Yanmar 80 HP diesel engines** – Provide strong, reliable propulsion with excellent fuel efficiency and manoeuvrability.
- **Fully-battened square-top mainsail** – Made from reinforced Dacron for optimal sail shape and durability.
- **UV-protected Solent jib** – A versatile headsail for efficient upwind performance.
- **Spinnaker rigging package included** – Features bowsprit, halyard, blocks, and deck fittings, ready for Code 0 or Gennaker use.
- **Two electric winches for headsails** – Simplify sail handling, especially in shorthanded or charter operations.
- **High bridge-deck clearance** – Ensures a smoother, drier ride in rougher conditions.
- **Robust structure and sail plan** – Designed for performance, comfort, and safety on extended coastal or bluewater passages.

Specifications:

- **Length Overall (LOA):** 14.86 m (48'9")
- **Beam:** 7.88 m (25'10")
- **Draft:** 1.35 m (4'5")
