Overview

Bali Catspace Hull #189

Location: Aberdeen, Hong Kong

Availability: Available now

Overview:

The Bali Catspace is the most spacious 40-foot cruising catamaran on the market. She combines innovation, performance, and livability in a compact footprint. Crafted by the Catana Group and designed by Olivier Poncin, the Catspace offers features typically reserved for much larger yachts, including Bali's iconic solid foredeck and Open Space layout.

Hull #189 is a **3-cabin, Owner's Layout**, equipped with premium upgrades and thoughtful comfort features, ideal for private ownership, liveaboard life, or boutique charter operations.

Key Features:

- **BALI "Open Space" Concept** – A game-changing layout with a garage style tilting saloon aft door and forward saloon access to the solid foredeck lounge. Seamlessly blending interior and exterior living into one expansive space.
- **Rigid Foredeck Lounge** – The Catspace replaces trampolines with a walkable forward deck, featuring cushioned lounge seating and dining tables. It's dry, secure, and usable even while sailing.
- **Flybridge with Panoramic Views** – One of the only boats in its class with a true flybridge. Includes helm station, sunbathing area with cushions and backrests, and optional helm bimini for all-weather protection.
- **Agile Sailing, Easy Handling** – Equipped with upgraded **twin NANNI 40 HP engines**, electric winches, automatic reefing, and a battened square-top mainsail. The Catspace is designed for effortless coastal or bluewater cruising.
- **Compact Yet Capable** – With a large 265L fridge/freezer, generator, air conditioning, full galley, and spacious salon, the Catspace punches well above its size class.

Accommodation Layout:

3-Cabin Owner's Version (3 Heads) – This layout includes an expansive master suite and two guest cabins, each with private heads. A convertible shelf in the forward cabin allows for a **third berth**, perfect for families or crew when on charter.
