

Granocean W 72

US 3,495,000

 Hong Kong  2025  72FT / 21.95M  3 cabins

Overview

Skip the waiting list and begin your yachting adventure right away. Available now through Fairview Yachting, W72 Hull 03 has come to market as the owner moves up to a larger model. This is the very same yacht featured in the walkthrough video.

Specifications

The W-72 is one of the world's most spacious power catamarans in its category. Its flared hulls combined with a high bridge deck clearance and wide beam provide a smooth riding platform and unmatched living space.

Accommodations

- Master Suite
- 2 Guest Cabins
- Provision for 3 Crew
- Galley located down in the port hull

Flybridge

The unique flybridge wings provide incredible open space with room for:

- A large tender and crane
- Wet bar
- Helm station
- Ample lounging areas

Main Deck

The Main Deck is all one level, with a forward door from the saloon leading to a bow cockpit area.

Engineering

The W-72 offers contemporary styling, twinned with robust engineering by world-renowned Gurit SP to ISO category A standards. All structural components are resin infused with vinylester resin for superior strength and anti-osmosis properties.

Construction

Hull and deck structures feature advanced closed cell foam cored composite panels and carbon reinforcements in key areas to achieve a lightweight structure.

Other

Cockpit

1. Covered aft deck with overhead lights
2. Large C-shaped flip-able backrest settee with Soffkin Kalmin marine vinyl cushions
3. Two (2) Teak cockpit dining tables
4. L-shaped settee with Soffkin Kalmin marine vinyl cushions
5. Teak coffee table
6. Storage under seating
7. Watertight engine access hatches
8. Custom shoe / sandal storage locker
9. Storage lockers on deck
10. Teak grate at entry to salon
11. Day Head below a molded staircase
12. Molded Staircase with teak steps to flybridge
13. LED Courtesy floor lighting throughout
14. LED Flood lights for transom platform
15. Vimar water-proof sockets
16. Two (2) waterproof Fusion FR6021 6 inch speakers connected to inside helm stereo

17. Vertifrigo C90 fridge

Foredeck

1. Weathertight door built to CE Area IIA to bow lounge
2. Two (2) large sunbathing L shape settee with Soffkin Kalmin marine vinyl cushions
3. Cup holders integrated into settee
4. Anchor chain locker
5. Insulated icebox locker under settee
6. Two large fender lockers under deck
7. Two (2) waterproof Fusion FR6021 6-inch speakers connected to inside helm stereo
8. Vimar water-proof sockets
9. Upgrade to SPA

Flybridge:

1. Moulded stairs with teak steps to flybridge with stainless steel handrail
2. Hatch cover over staircase opening
3. Hard top covered flybridge with LED overhead lights
4. Wet bar including Corian top with built-in sink, tap
5. Large C-shaped settee with Soffkin Kalmin marine vinyl cushion and storage underneath
6. Two (2) Teak dining tables
7. Helm with double seats complete with steering, throttle, VHF and chart-plotter
8. Acrylic windshield
9. Sun lounges with Soffkin Kalmin marine vinyl cushions next to helm
10. Large storage locker
11. Vimar water-proof sockets
12. LED courtesy floor lighting throughout
13. Instrument mast on hard top
14. Two (2) waterproof Fusion DR6021 6 inch speakers connected to inside helm stereo with separate volume controller
15. Extendable Steelhead hydraulic Crane capacity 680 KG with 3.7m reach upgrade
16. Marinedeck 2000 decking upgrade
17. Icemaker Virtigo IM XT Hydro @ wetbar
17. Icemaker VITRIFRIGO IM XT HYDRO in Wetbar
- 18 Vertifrigo C130 counter fridge
19. Kenyan Texan Double Electric Grill

General Interior Finishes

1. General interior finishing in soft vinyl leather and wooden veneer with satin finish
2. Furniture is a combination of solid wood and veneer with satin finish
3. Overhead finished in soft Soffkin vinyl leather panels
4. Composite non porous membrane flooring with non-slip stripes for staircases
5. Cedar wood for all hanging closet's backing panel
6. Upgrade: Removable custom shaped carpet in cabin areas
7. Upgrade: Granite countertops with honeycomb backing in galley and heads
8. High quality entrance chrome door lock and stainless steel cabinet door locks to shipyard's standard selections
9. High quality Lamp interior hardware
10. DC LED ceiling and courtesy lighting throughout. Lighting fixtures to shipyard's standard selections
12. Roll down shades for all cabins and heads

Saloon

1. Panoramic view through large laminated fixed windows
2. Wide open triple stainless steel sliding salon doors
3. Roca windscreen wipers with spray wash, on/off/3 speeds function
4. Large C-shaped settee on stbd side
5. Two (2) coffee tables on port side
6. Dining tables on stbd side
7. Two (2) observation settee facing forward
8. 50 inch Samsung salon flip down or pop up TV subjected to final GA
9. Cabins access companionways with SS handrails
10. Saloon Bar with Wine Fridge, below counter Vertifrigo counter fridge, Icemaker Vertifrigo, Miele integrated coffee maker and Miele microwave

U-shaped Galley adjacent to cockpit on aft stbd side

11. Corian countertops with storage
12. Double Kohler stainless steel sinks
13. Full height fridge and freezer unit Fisher & Paykel
14. Miele Cooktop KM 6320 with extractor hood
15. Miele Dishwasher
16. Miele Oven 7280BP
17. Fusion RA770 player entertainment system with two FR6021 6 inch Fusion speakers
18. Upgrade: INTERNAL HELM with double seats complete with steering, throttle, VHF and chart-plotter) 3 x additional Garmin 12" chart plotters. 4 Kw radar array Garmin. AIS Garmin. CCTV camera for fly, cockpit and engine room.

Lower deck

Standard Layout upgraded to:

Portside

- i. VIP suite forward
- ii. Crew Cabin with head, crew galley with built in fridge, Bosch Washer and Bosch Dryer

Starboard Side

- i. Master Suite aft
- ii. VIP suite
- ii. One ensuite head and one shared head

All Staterooms

1. Queen size berth (153cm x204cm)
2. Single or Hi-low bunks for crew cabin
3. Large closet with drawers and closed shelving
4. Vanity desk with seat and flip up mirror
5. Wall/reading LED lamps on both side of headboards
6. Pull-down blinds over portlights

All Heads & Showers

1. Corian counter tops with Kohler ceramics sinks (Double sinks for master suite, choice of top mount or undermount sinks)
2. Storage unit below counter
3. Separate shower compartment
4. Standard size Tecma toilets with electric freshwater flushed
5. Kohler faucet and shower unit
6. Chrome towel bars and toilet paper holders
7. Exhaust fan in all heads
8. Teak grates in all shower stalls
9. Mirrors above countertop

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

ENGINE & MECHANICAL

Engine & Equipment

1. Two Cummins QSB 6.7 550hp 3300rpm inboard diesel engines with instrument panels & throttle at flybridge helm
2. Two (2) Hungshen four blade bronze propellers
3. Aqua 17 high tensile direct transmission shafts
4. Hydrive electrical hydraulic Steering system, compatible with autopilot system
5. Stainless steel emergency tillers
6. Fiberglass rudders with stainless steel shaft & reinforcement
7. Manship engine compartment ventilation natural intake of air with mechanical extraction of air
8. Engine room with sound insulation materials
9. Engine alarm system for low oil pressure and high-water temperature
10. Cruisair air-conditioning system total 88,000 BTU (Salon with 48,000 BTU in total, lower deck with 20,000 BTU in total for each hull)
11. Upgrade to 2 Lewmar 15HP electric bow thrusters

Plumbing

1. Two (2) integral FRP fuel tanks total volume 5000L with electrical gauge
2. Racor 500 series fuel filter/water separators for each engine
3. Diesel emergency shut off valve
4. Jabsco fuel transfer pumps between fuel tanks
5. Two (2) integral FRP water tanks total 1000L with electrical gauge
6. Two (2) 24V Electric Jabsco freshwater pump and pressure accumulator
7. Freshwater crossover back up system with control valves
8. Two (2) 80L Quick water heater
9. Two 72L PVC holding tanks
10. All black water discharge overboard directly from holding tank or pump-out from deck
11. Shower drain to greywater sump pump
12. Six (6) RULE#2000 electric bilge pumps with separate flow switches
13. One manual Jabsco bilge pump for emergency in each hull
14. Upgrade: Two Reverso 80GPH Fuel polishing system with fuel conditioner
15. Upgrade: Schenker Watermaker 100L/h with commercial filters

Electrical

1. 24V/230V or 24V/110V electrical system
2. Two (2) Kohler 12KW/50HZ/1PH with Decision Maker 3500 Paralleling system)
3. Wiring - marine cables approved by Lloyds and ABS
4. Czone NMEA 2000 network backbone system ready for connection to 3rd party navigation engine systems and other NMEA 2000 network equipment.
5. Batteries - house and engine starting
6. House: 6 deep cycle total 24V 1000AH
7. Two extra 24V 200AH batteries for electric windlass
8. Engine Start: 2 set 24V ? 200 AH lead acid batteries
9. Generator start: 12V 120AH battery
10. Separate Victron chargers for starting batteries
11. Victron Quattro 24V/5000W/120A battery inverter/charger Combo
12. LED Lighting throughout 24V DC

13. 63 amp single phase shore power inlet with galvanic isolator
14. Power circuits protected by circuit fuse and breakers
15. Main AC/DC electrical distribution panels
16. 24 V monitoring alarm panel
17. Electrical gauge with indicator at chart table
18. Electrical Vimar outlets located throughout including engine room
19. Electrolysis bonding system via copper strap
20. Upgrade: Four (4) Aqualuma underwater lights two at each stern
21. Upgrade to Flexible solar panels on hard top (one is 100W each) x 37
22. Extra Lifeline D8 250Ah battery for Solar panel

Navigation & Electronics

1. One (1) 4-1/2" Ritchie compass
2. One set of Hella navigation lights include head, stern, port, starboard & anchor
3. 12? Garmin navigation chart plotter at main helm (Option: upgrade size to 16? and/or dual plotters)
4. Garmin 20nm-36nm Radome upgraded to 42nm 4Kw Garmin Radar array
5. Garmin depth/speed/fishfinder combo transducer
6. Garmin VHF
7. Garmin Autopilot
8. Garmin Wind Meter
9. Two (2) rudder indicators
10. Roca Wiper system
11. Engine console with all gauges
12. Jabsco remote control searchlight
13. Marco single stainless steel ship horn
1. Upgrade: Garmin AIS
16. Upgrade: Garmin CCTV cameras in engine rooms / cockpit / flybridge)
17. Indoor secondary helm station as per standard flybridge configuration
18. Upgrade to Yacht Master wireless docking control system

Safety

1. Automatic Seafire fire extinguishers in engine room
2. Hardwire Smoke/heat detectors
3. High water alarm in all water-tight bilge area
4. Engine & generator with high water temp/ low oil pressure alarm
5. Fuel shut-off valve fitted with additional control outside of engine space
6. Portable CE approved 2kg fire extinguishers throughout
7. Twelve (12) ISO Life Jackets

Additional Information

STRUCTURE & MSE

Structure

1. Hull lamination according to EN ISO 12215-5 structure standard
2. Built in accordance with HPI Verification services
3. Composite fiberglass infused hull & deck
4. Hull, deck & superstructure built of light weight fiberglass composite with closed cell PVC foam/honeycomb as core material
5. Interior structural components all properly bonded to hull & deck

Hull & Deck Exterior General

1. White gel coat on all superstructure and hull (Option: coloured gelcoat / painted hull)
2. International Interlux antifouling paint
3. Main deck non-skid deck
4. Electric windlass Lewmar V6 24V with chain counter & footswitches
5. One 80kg stainless steel Delta anchor fitting at bow with chain stopper
6. 100m 13mm din 766 galvanized anchor chain
7. 316 stainless steel safety stainless steel handrails throughout
8. Anchor bridle with shackle & pad eyes fitted
9. Eight (8) heavy duty 12? 316L stainless steel cleats
10. Two (2) pop-up 6? 316L stainless steel cleats on transom platform
11. One stainless steel Sampson post at bow
12. One stainless steel two ring at transom
13. Eight (8) fender locks
14. Double layer tinted safety glass windows
15. Two (2) Lewmar large low profile deck hatch
16. Fixed large portlights with safety glass fitted
17. Six (6) Lewmar flush openable portlights
18. Two (2) Vetus escape hatch underside
19. Wide opening triple stainless steel sliding doors to salon
20. Stainless steel rub rail along transom
21. Freshwater deck wash-down
22. Dual freshwater & seawater anchor chain wash down
23. Two (2) Whale transom shower with hot/cold water
24. Stainless steel folding swimming ladder
25. Two zinc anodes on transom for bonding system
26. Two (2) stainless steel deck water fillers
27. Two (2) stainless steel deck fuel fillers
28. Two (2) stainless steel deck waste pump outs
29. Stainless steel flag post on flybridge
30. 316 stainless steel thru hull fittings above waterline
31. Bronze through-hull fittings below waterline
32. Boat name in custom designed 316L stainless steel
33. Soffkin Marine vinyl exterior upholstery
34. Mooring kit includes six (6) fenders and five (5) 24mm Moorings lines

Additional Information

OPTIONAL UPGRADED EQUIPMENT

Upgrades to standard specification:

1. MarineDeck 2000 decking - cockpit including transom platform
2. MarineDeck 2000 decking - side decks & foredecks
3. MarineDeck 2000 decking - upper deck (open flybridge version)
4. Boat name in custom designed 316L Stainless Steel (back lighted)
5. Two Cummins 550HP Diesel Engines (Upgrade)
6. Steelhead flybridge extendable hydraulic crane, 680kg, 3.7m reach
7. Change from 20.5kw to two 12.5 kw 240V Kohler gensets in parallel (14 kw at 110V)
8. 2 Lewmar 15HP electric bow thrusters
9. Reverso fuel polishing system 80GPH with fuel conditioner x2
10. Flexible solar panels on hard top (one is 100W each) x 37
11. Extra Lifeline D8 250Ah battery for Solar panel
12. Yacht Master wireless docking control system
13. Schenker Watermaker 100L/h with commercial filters DC power
14. Rope cutter
15. Anchor Bridle Pads
16. Indoor secondary helm station as per standard flybridge configuration
17. Additional Garmin chart plotter (12") X 3
18. 4 KW 72nm Garmin Radar array
19. AIS - GARMIN or VESPERMARINE or Similar
20. CCTV Camera - per location - (Eng Room, Cockpit, Flybridge)
21. SPA on foredeck
22. Kenyon electric BBQ grille
23. Siemens separate washing machine + separate dryer
24. Siemens dishwasher
25. Vitrifrigo Ice maker (galley / cockpit / flybridge)
26. Wine cellar 23 bottles capacity
27. Combination lock safe
28. Granite tops with honeycomb backing (galley and heads)
29. Fixed platform aft of cockpit
30. Extendable Steelhead hydraulic Crane capacity 680 KG with 3.7m reach upgrade
31. Exterior Undercounter fridge X 3
32. Icemaker
33. Microwave
34. Cooktop Oven
35. Dishwasher
36. Coffeemaker
37. Revision to portside hull- additional cabinetry / additional bathroom / Guest Cabin and Galley furnishings. Portside forward hull as storage area. Crew Cabin relocated to Starboard hull
38. Reinstate stbd foredeck settee
39. Change of fuel access tank hatch location
40. Engineering / Gurit - Patch and reopen portside bulkheads, plus deck engineering re deck hatches alteration
41. Electrical double up / down table pedestal at cockpit
42. Four Aqualuma underwater lights Series 12

Specifications

Overview:

Make	Granocean
Model	W 72
Year built	2025
Type	Power catamaran
Condition	New
Hull material	GRP
Lying	Hong Kong

Dimensions:

Length overall	72 ft / 21.95 m
Waterline length	19.81 m
Beam	9.96 m
Draught	1.35 m
Displacement	41,824 kg

Accommodation:

Cabins	3
Berths	2
Heads	4
Air conditioning	Yes
Fresh water	1,000 l

Engines & drive:

Engines	2
Engine	Cummins QSB 6.7
Fuel	Diesel
Power	550 hp each
Drive	Shaft
Cruising speed	12 kn
Max speed	22 kn
Bow thruster	Yes
Fuel capacity	5,000 l

Navigation:

- Autopilot
- Radar
- VHF radio
- GPS
- Plotter
- Compass
- Depth sounder
- Navigation lights

Technical:

- Battery
- Battery charger
- Generator
- Inverter
- Anchor
- Anchor windlass

Interior:

- Fridge (electric)
- Freezer
- Oven
- Microwave
- Dishwasher

Entertainment:

- TV

Covers:

- Spray hood

Safety:

- Fire extinguisher
- Bilge pump
